# Visit the UK's nursery trade association on stand C30a

Welcome to the 2012 UK Pavilion, organised by the Baby Products Association (BPA), bringing a wealth of exciting new and established British products from 50 companies all under one convenient roof.

We hope you will enjoy some great British hospitality in our Networking Arena and take the opportunity to find out more about what our exhibitors have to offer. Each company is detailed in this Directory and the location map in the centre will conveniently help you to locate each stand.

Come and meet the BPA team to find out more about what the UK's nursery trade association has to offer including numerous benefits such as discounts when exhibiting at the UK's premier nursery trade event – Harrogate Nursery Fair each March; plus the provision of favourable international trading environments such as the UK Pavilion at Kind und Jugend. We hope to extend this to other countries in the near future. The BPA is a founding member of the European Nursery Products Confederation

(ENPC) representing its members at a European level and is also the Accredited Trade Organisation (ATO) for UK Trade & Investment (UKTi) responsible for allocating Trade Access Programme (TAP) funding to enable British companies to exhibit their products in Europe and worldwide. As part of this initiative, you are cordially invited to join the BPA's Networking Event with free drinks and nibbles at the end of the first day on Thursday 13th September – we look forward to seeing you there!

**Get discounted entry to Kind und Jugend (€5 per day instead of €15) by purchasing tickets online: [www.kindundjugend.com](http://www.kindundjugend.com) and entering the code: **BPAatK+J2012****

# The next BIG thing!

*The baby products industry probably attracts more entrepreneurs than almost any other UK business sector and the BPA strives to encourage this innovation with its annual Concept & Innovation Awards.*

*The deadline to enter the Concept & Innovation Awards is 19th November 2012, after which shortlisted entries are invited to present their products to a panel of industry experts. The finalists are given the exciting opportunity of staging their product idea at Harrogate Nursery Fair at which the overall winners will be announced.*
